SECOND DISTRICT. NICHMOND'S CIGAR AND CIGARETTE

TAXES FOR APRIL

The Negro Langston Not Hopeful of Getting Mr. Venable's Seat-An Africo-American League.

Correspondence of the Richmond Dispatch.]

PETERSBURG, VA., May 3, 1899.

The internal-revenue collections in the Second district for the month of April amounted to \$183,090.66, classified as follows: Penalties, \$33.57; spirits, \$1,065.99; cigars and cigarettes, \$34.418.33; tobacco, \$133,483.20; special taxes, \$18,479.91. The collections on cigars and cigarettes came mostly from Richmond, as there are only two cigar-factories in this city and no cigarettes are made here. The exports of manufactured tobacco from Petersburg during the month of April aggregated 481,778 pounds. The full shipments from Richmond for the mouth have not yet been reported to the collector, but they are estimated at about 355,000 pounds.

CENSUS APPOINTMENT.

CENSUE APPOINTMENT.

Mr. J. H. Van Auken, of this city, has been appointed a special agent of the Census Eureau. His commission was received a day or two ago. Mr. Van Auken is a Republican of the strictest type, and was for some years one of the United States inspectors of tebacco here.

Mr. J. Marion Taylor, for some years a popular young lawser of this city, has removed to Richmond, where in future he will practice his profession.

Captain John T. Clements, a disabled Confederate soldier of gallant record, has been granted permission to enter the Soldiers' Home at Richmond, and will leave for that place in a day or two.

Colonel E. R. Brink and wife, of Fernandina, Fla., are in the city. It is reported that Colonel Brink will go into business here and make Petersburg his permanent home.

Mr. Carr W. Jones, manufacturer of fer-

home.
Mr. Cary W. Jones, manufacturer of fer-tilizers, has made an assignment for the benefit of his creditors—Mr. F. W. Tappey,

The Mayor disposed of two cases of interest this morning. The Postal Telegraph and Cable Company was summoned to answer the charge of doing business without a license as required by the ordinances of the city. The license tax is \$2.00, which the company paid under protest, for the fiscal year ending April 30, 1830, and the case was therefore dismissed.

The Postachuse Social Club also and Thomas Town. THE POSTAL PAID.

year ending April 30, 1850, and the case was therefore dismissed.

The Petersburg Social Club also appeared by counsel to answer the same charge. Upon argument by counsel and the submission of facts agreed upon the Mayor dismissed the case, being satisfied that there is no sale of liquors at the clubrooms, as contemplated by the ordinance requiring licenses. LANGSTON'S DILEMMA.

Langston's DHEMMA.

It is apparent that the friends of John M. Langston are not as confident now as they have heretofore professed to be of his obtaining the seat in Congress now held by Hon. E. C. Venable. Langston himself does not talk much about the matter. It is understood, however, that he is making all necessary arrangements for trying his lack again next fall. If so he will have to contend with the same opposition he had to meet two years ago in the ranks of his own party. He will have to fight General Mahone and his organization. In the last congressional campaign Langston had the mest thorough and compact organization any Republican candidate ever had in this district and yet was defeated. He raised the issue of the races and not only had the negro men completely organized, but had the negro women organized and at work as well. THE REPUBLICAN SPLIT.

All appearances indicate that the two Republican factions, at least in this portion of the State, are as wide apart as ever. No love is lost between them. The Langston organ here pertinently asks "What has General Mahone done for the colored people of Virginia?" It defies any one to point to one first-class position given a colored man by Mahone or through his influence, and states that all the colored contingent which has done so much for the Republican party in Virginia has gotten is here and there the position of letter-carrier or splittoon-cleaner.

or spittoon-cleaner.

An Africo-American League has been organized here, with Rev. J. H. Mosley as president, W. W. Evans and W. F. Jackson as vice-presidents, and Scott Wood as secretary. It professes to be non-political.

It is expected that Supervisor Young will announce the names of the two hundred enumerators of his census district some time next week. The "Africo-Americans" are hoping to have a liberal representation in the list.

This properly has a depin of 179 test and is located on the best and most fashionable drive

once the prettiest and most solid manufacturing
and mercantile centre in the South.

This property will not be heid at the fancy
figures which prevail in some of the "towns"

around Richmond, and as a consequence this is
the place in which to invest. Come and put
